

## EU-DECLARATION OF CONFORMITY

**ABB Engineering (Shanghai) Ltd.**

**No.4528, KangXin Highway, PuDong New District  
Shanghai, 201319, P.R. China**

Herewith confirm in sole responsibility that the products

Device: **Ultrasonic Level Transmitter**  
Models: **LST200 Series**

are in compliance with the following European Directives and Regulations:

**2014/30/EU [EMC]**  
**2011/65/EU [RoHS II]**

All annexes are part of this declaration. The "X" in the series label represent a random character in the complete marking. The respective safety and installation requirements of the product must be considered in detail.

Notes:

- RoHS compliance means
- 1) Our suppliers have confirmed the compliance status of the relevant products to us.
- 2) We have internal procedures to confirm supplier's statements and maintain relevant documents as part of the product technical file.
- 3) Confirmation of the compliance status given to products put on the market by IAMA Shanghai is either because the products do not contain any of the restricted substances referred to in Article 4(1) of the RoHS directive at concentrations in excess of those permitted under the RoHS directive, or because removal of the restricted substances is not technically possible and their existence in the products at levels in excess of these concentrations is allowed as one of the particular exemptions listed in the RoHS Directive.
